Membership

The 2016-17 membership theme is “Rockets.” There is a call for parents to come up with ideas related to the rocket theme, like the Houston Rockets, NASA, hobby shops, etc. John asks leaders to think about spring recruiting sessions. He would like for units to target kindergarteners for Tiger kids immediately after they graduate kindergarten. Also, Troops can target Webelos II Scouts that have not transitioned into a Boy Scout unit.

The membership committee facilitated a call-down on Wed., April 6 introduce the new District leadership, introduce the SED Committee concept to the units, and ask each unit to create a membership chair. All unit leaders were invited to the April 14 and May 12 District Rountables.

COMMISSIONERS

COMMISSIONERS NEEDED – The commissioner core is critical during this transitional period for the district. The units in lifesaving status and the schools that no longer host units are prime targets for commissioners to act as ambassadors and mentors of Scouting to make sure that Scouting is available to any youth in Soaring Eagle District that wants to participate.

Unit commissioners are requested to fill out reports of their respective visits at my.scouting.org.
