

## Partner in Scouting Award

Scouts and units rely on the support of community partners to provide a successful program. Community partners consist of businesses, churches, individuals, schools, and service organizations. Community partners contribute facilities, human resources, and financial resources in order to support Scouting. The Partner in Scouting Award recognizes an outstanding entity or individual in the community that generously supports Scouting in the district.

The Partner in Scouting Award accomplishes the following objectives. 1--Encourage excellence in relationships between the community and the district. 2--Provide examples of excellence in relationships from which others may learn. 3--Create an annual recognition providing visibility for recipients of this award.

This nomination form should answer the following questions. 1--What has this partner done for a unit or the district? 2--How has this partner supported a unit or the district (facilities, funds, manpower, etc...)? 3--Has this partner offered future support of a unit or the district?
